

# BUSHFIRE FAMILY NEWSLETTER

*In God we flourish.*

## First Quarter 2026

### Highlights

At Bushfire, our mission remains rooted in empowering communities and creating opportunities that lead to lasting transformation. Over the past period, we have made meaningful strides, and we are grateful for the continued support that makes this work possible.

As we look ahead, several key initiatives remain at the heart of our focus. The ongoing project developments, the planned renovations on our premises, the much-anticipated re-opening of the secondary school, and the rollout of our vocational training programs are all critical steps in expanding our impact. While these efforts are still in progress, they represent our deep commitment to building a stronger and more sustainable future for the communities we serve.

We understand the importance of these initiatives and are working diligently to ensure they are implemented effectively and responsibly. Our goal is not only to complete them, but to do so in a way that delivers real, long-term value.

We invite all our partners, supporters, and community members to continue walking this journey with us. Your belief in our mission drives us forward and strengthens the work we do every day.

Together, we are laying the foundation for growth, opportunity, and lasting change.

### Featured Program / Project

Bushfire is currently developing vocational training programs aimed at equipping young people with practical, income-generating skills. These programs will focus on hands-on learning in areas that are relevant to the local economy, helping participants build sustainable livelihoods.

### Community Impact Stories

Bushfire continues to make a meaningful impact through its computer literacy and counselling programs. Community members are gaining essential digital skills, opening

doors to new opportunities and increased confidence.

At the same time, our counselling sessions are providing vital support to individuals dealing with trauma, helping them heal and rebuild their lives.

Through these efforts, we are empowering people not only with practical skills but also with the strength to move forward.

## 📄 Updates

- We have so far been blessed with **9 brand new computers** for the school and **4 sowing/ tailoring machines**.

- The LORD opened new door as we continue to stay in his presence. So we have managed to set the altar on fire once more and this time, its too see the manifestation of the his mighty hand.
- Kids had much fun during their Easter holidays, plenty of eats and drinks, Glory be to God.

## 🚀 Opportunities & Involvement

Bushfire welcomes individuals and partners who are passionate about making a difference in the community.

You can get involved by volunteering your time and skills, supporting our programs through donations, or partnering with us to expand our impact. Opportunities are also available for those interested in contributing to our upcoming initiatives, including the secondary school re-opening and vocational training programs.

Together, we can create lasting change.

**Thanks to all who have supported us, May God bless you**
